COACHING-POWERED LEADER: COACH EDITION (ICF LEVEL 1)

Illness Policy

At Lead as Coach (LeadasCoach OÜ), we understand the importance of meeting the minimum training hours required for the ICF credential, and the impact of emergencies or illness. This policy accommodates these situations while protecting the integrity of the program.

Immediate notification. If an emergency or illness prevents you from attending a session, contact your instructor and Lead as Coach at support@leadascoach.com immediately, so we can offer support and alternatives as soon as possible.

Making up missed sessions. You will complete the session materials, review the session recording and complete a coaching session outside the live session to make up for the missed time.

Extended absence. If you need to miss more than 4 hours of the course, you can work with the instructor to cover the missed material at your own expense, or register for another cohort. Missing more than 4 hours of mentor coaching means arranging and paying for individual mentor coaching sessions to complete the 10 hours of mentor coaching that the International Coaching Federation requires.

Petitions. Petitions due to extraordinary circumstances are considered case by case and must be submitted in writing to the instructor and Lead as Coach at support@leadascoach.com.
