COACHING-POWERED LEADER: COACH EDITION (ICF LEVEL 1)

Partial Completion Policy

We are unable to give credit for partial completion of a course. Full course completion is required to earn credit.

We understand that extenuating circumstances may prevent full participation. Participants with justifiable reasons who cannot complete the course in full are encouraged to contact us. We are open to discussing joining another cohort to complete the program, so that your learning is not stopped by unforeseen challenges.

For questions or to explore your options, contact Lead as Coach at support@leadascoach.com.
